Dear Commissioner,

**Re: Revocation of power of attorney for patent application No. 09/937,721**

My company used to deal with the USPTO through a patent attorney in Australia for the above-mentioned patent application. We have decided to revoke the power of attorney of our current patent attorneys, and would like to deal with the USPTO directly.

According to the direction from the "USPTO Info", I am writing to you to confirm that we have revoked the power of attorney of the patent attorneys in both Australia and the United States as of 12 August, 2004.

Could you please send all the communications to the following address in future correspondence:

Dr. Guorang Hu  
G & W AUST Pty Ltd  
P.O. Box 448

This letter will also be faxed to you and the original will be sent to you by mail.

Many thanks for your assistance and warm regards.

Sincerely yours,
